Dear Parents, Staff and Students,

Our Catholic tradition gives us so many reasons and so many ways to celebrate and reflect upon the Easter mystery of life, death and resurrection which is so central to our faith and beliefs and celebrates love, compassion, service and commitment. How truly blessed we are to have a strong faith to call upon when we face life's challenges such as sorrow, loss, disharmony and war.

In 1918 the armistice that ended World War 1 came into force, bringing to an end four years of hostilities that resulted in 61,919 Australians dying at sea, in the air and on foreign soil. There were few Australian families that were left untouched by the events of World War 1- "the war to end all wars..." Most had lost a father, son, daughter, brother, sister or friend.

On the eleventh hour of the eleventh day of the eleventh month services are held at war memorials in suburbs and towns across the country. As a school community we will pause to remember this **Friday 11 November at 9:00am in the assembly area.**

Lest we forget.

*They shall grow not old, as we that are left grow old:
Age shall not weary them, nor the years condemn.
At the going down of the sun and in the morning,
We will remember them.*

Thank you to all the parents who were able to attend the POSMs meeting last Wednesday night. Senior Constable Dusan Dakic was very informative and provided those in attendance with some helpful ways to assist in managing technology to keep their children safe.

Parents may find the Common Sense Media website (a San Francisco based non-profit organisation) a helpful resource as it provides education and advocacy to families to promote safe technology and media for children. <https://www.commonsensemedia.org>
Thank you also to Mrs Mason, Miss Rosewell and Miss Bagnall for their input at the meeting.

Painting Project The painting of all the outdoor blue fascia on our school buildings will commence this week. It is estimated that this scope of work will take two and a half weeks (Monday – Saturday). I thank the Catholic Education, Diocese of Parramatta for financially supporting the project.

Early next year, as part of the school's ongoing maintenance, all the railings on the playground and in the learning space will be painted and we will extend all the tiles in the Stage 3 wet area and in the bathroom areas. We will then look to gradually painting all the pillars in the learning space.

Scrub Day At the last Social Welcome Team meeting it was suggested that we don't hold a working bee this year on a Saturday morning but instead incorporate it into **Scrub Day on Thursday 15 December from 9:00am – 12 noon.**

On Scrub Day the children wear mufti clothes and clean out their tubs, tidy shelves, wash tables and chairs etc. A number of parents have always assisted us on this day as pre-schoolers are able to be with their parents when they move around the school. Please mark this date in your diary if you can assist us for a couple of hours. The parish will also have their working bee on this day too.

Yours sincerely,

Louise O'Donnell, Principal

Notice of Intention to Remove a Student from St Monica's School

The Catholic Education, Diocese of Parramatta Office has developed a Policy relating to the notice required from parents to terminate their children's enrolment in the schools of the Parramatta Diocese. In part this states "**A term's notice (10 weeks) in writing must be given to the Principal before the removal of a student or a full term's fees will be paid.** The notice can be given any time during the term for the next term." This means that unless the school receives a term's notice no pro rata adjustment will be given for part term tuition.

Prayers

Prayers are requested for members of our school community who are unwell at the moment. There are a few families that especially need our prayers at this time.

Sympathy

St Monica's community extends its deepest sympathy to the **Gaddi family** (Myles, Stage 3) on the recent passing of Myles' grandfather (Mrs Gaddi's father). Please keep the Gaddi family in your prayers at this sad time.

Outstanding School Fees

Unless you have an arrangement with the school, all school fees should now have been paid. If you still have outstanding school fees, please call the school office **immediately** to discuss this with the Principal.

Please note that all outstanding school fees must be finalised by Friday 2 December 2016.

December: Social Justice Month

'Be the change you wish to see in the world' Gandhi

Social Justice exists when all people share a common goal of humanity and therefore have the right to equal treatment and support of basic human rights by promoting a just society.

During the month of December, as a school we will be raising awareness for Social Justice Issues. This will include prayer, writing responses, actions and activities where we can raise money and collect donations for people in our world who are treated unjustly.

A group of boys in Year 6 have come together to form a Social Justice Team, and are working on projects to implement throughout the month of December.

The first project is called Mission Tree. The team have created Christmas tags, each with a different gender and age on them. Each family will have the opportunity to select a tag from the Mission Tree and prepare a Christmas gift for this child. You will wrap and return your gift and place it, with the Christmas tag, under the Mission Tree. These gifts will be donated to the refugees at Arrupe Place.

'Alone we can do so little, together we can do so much'
Helen Keller

Thank you to everyone in our St Monica's community for your ongoing support and generosity.

Kind regards,

Miss Michelle Rosewell
Religious Education Coordinator

Thank you to all the families who have sent in gifts for the Mission Tree.

Executive Director's Summer Reading Challenge

How to enter: It's simple! Students just need to read something they enjoy and tell us in 50 words or less why they loved it. Students can read anything they like to enter the challenge, whether it's a comic, play, piece of poetry, book, e-book or graphic novel.

This year we have made the challenge easier to enter by removing the minimum number of books to read and provided students with more chances of winning a prize.

The more material a student reads, the more times they can enter the reading challenge and the more chances they have of winning one of four iPad minis.

Entries open on 7 November 2016 and close at 5pm on 7 February 2017. Terms and Conditions can be found at www.parra.catholic.edu.au

Dear North Parramatta community organisations, residents and those with a potential interest in the Parramatta North Urban Transformation Program,

Urban Growth NSW are proposing to "conserve, unlock and share the heritage of Parramatta North" through the Parramatta North Urban Transformation Program and "deliver a dynamic and vibrant area with heritage conservation at its heart. New homes and jobs will be created, and more open space will be available to the public."

"Urban Growth NSW will manage the program of controlled and creative development across about 30 hectares. It will reinvest funds to conserve significant buildings."

'Sprout' is an Urban Growth workshop on the future of the Parramatta North precinct and "an event designed to grow ideas for the precinct. It will involve inspirational presentations, panel discussions, working sessions, site tours and displays. Community leaders, business owners, innovators, designers, artists, heritage experts, university students and academics will all be involved in the event".

The City of Parramatta wishes to ensure you are aware of the proposal, informed about such workshops and have the opportunity to get involved in the future of the Parramatta North heritage precinct and request time to present your own ideas for the precinct if you wish.

To find out more and register your attendance at the upcoming 'Sprout' workshops on 10 and 11 November, please go to <http://www.urbangrowth.nsw.gov.au/projects/parramatta-north/> and follow the 'REGISTER' link in the 'ABOUT SPROUT' section.
